Pyramid Concert

Saturday 24th March 2018

Dear Parents and Carers ,

FSYO is a charitable organisation whose aim is to support the ensembles that are part of the Southampton Youth Orchestras pyramid (Acorn, Elgar, SYS, SYCS and SYO). The FSYO committee members are parents of current players. Musical directors are also represented. Members of the Friends provide support at rehearsals, providing refreshments and adult help and at concerts with front of house activities, raffles and hospitality to guests.

Thank you for all your support this year. By buying tickets to the concerts, supplying raffle prizes, buying programmes and raffle tickets you are helping us to raise funds to support the orchestras. This means that we are able to provide new music, instruments and equipment, special sectional support and give financial backing for tours and residential weekends. Other ways you can help us with our fundraising is by donating your used printer cartridges which you can bring to rehearsals or when shopping online sign up to easyfundraising.org.uk. It doesn't cost you anything but when you click through them to make your online purchases you raise a free donation for FSYO.

The Friends are a support partner of the Southampton Music Hub, which is part of the funding arrangements that have been in place since 2012. After a period of cuts in Government funding, the funding through the Hub has remained the same and will stay the same next year. What will happen to this funding in the longer term is not clear but the Friends will continue to support the orchestras.

Do feel free to contact the friends on info@fsyo.org.uk if you have any feedback, suggestions or you would like to volunteer to help in any way and do please visit the website (www.fsyo.org.uk), our Facebook page (Friends of Southampton Youth Orchestra) or follow us on Twitter (@friends_syo).

If you would like to join us please contact us at membership@fsyo.org.uk .

Yours,

Amanda Mitchell

The Southampton Music Hub Pyramid Concert remains a highlight in our year for me; it is wonderful to see the progression of so much talent, from its fledgling stages up to the flagship ensembles. I am always delighted to think that those players in the most elementary of ensembles will very soon enough be joining their older colleagues in the senior ensembles of the hub - a real beacon for the success of music-making in Southampton.

I would like to take this opportunity to thank not only the students of the hub but also the staff who work so tirelessly, year after year, to ensure that every student in the hub achieves their full potential. It is really inspirational to watch so much hard work, from both students, and staff, in action. It is humbling for me to know that every year so many students will go on to university/music college with their lives enhanced by music no matter what they choose to do with that amazing skill.

The final thank you goes to you, the person reading this, who supports a child in the hub in such a vital way. Whether it be by acting as taxi or groupie, everything you do is building your child's love of music and understanding of something so important to their adult life - they will remember your support for the rest of their lives.

Thank you for supporting a skill that will bring them so much joy.
