Southampton Youth Orchestras

Pyramid Concert

Saturday 23rd March 2019

Dear Parents and Carers ,

FSYO is a charitable organisation whose aim is to support the ensembles that are part of the Southampton Youth Orchestras pyramid (Acorn, Elgar, SYS, SYCS and SYO). The FSYO committee members are parents of current players. Musical directors are also represented. Members of the Friends provide support at rehearsals, providing refreshments and adult help and at concerts with front of house activities, raffles and hospitality to guests.

Thank you for all your support this year. By buying tickets to the concerts, supplying raffle prizes, buying programmes and raffle tickets you are helping us to raise funds to support the orchestras. This means that we are able to provide new music, instruments and equipment, special sectional support and give financial backing for tours and residential weekends. Other ways you can help us with our fundraising is by donating your used printer cartridges which you can bring to rehearsals or when shopping online sign up to easyfundraising.org.uk. It doesn't cost you anything but when you click through them to make your online purchases you raise a free donation for FSYO.

The Friends are a support partner of the Southampton Music Hub, which is part of the funding arrangements that have been in place since 2012. After a period of cuts in Government funding, the funding through the Hub has remained the same and will stay the same next year. What will happen to this funding in the longer term is not clear but the Friends will continue to support the orchestras.

Do feel free to contact the friends on info@fsyo.org.uk if you have any feedback, suggestions or you would like to volunteer to help in any way and do please visit the website (www.fsyo.org.uk), our Facebook page (Friends of Southampton Youth Orchestra) or follow us on Twitter ([@friends_syo](https://twitter.com/friends_syo)).

If you would like to join us please contact us at membership@fsyo.org.uk .

Yours,

Amanda Mitchell

A very warm welcome to the Southampton Music Hub's annual orchestra's Pyramid Concert. It is such a delight that the Friends of the Southampton Youth Orchestras provides the opportunity for our three strings groups and two orchestras to come together for a joint evening of inspirational music making from our youngest string group through to our flagship youth orchestra.

2018-2019 has been a very special year for the music hub. In 2017 we were invited to celebrate the 125th birthday of the Bournemouth Symphony Orchestra with a performance at the Royal Albert Hall in London in November 2018. Joining forces with other young musicians from the Bournemouth and Poole Music Hub and the Isle of Wight Music Hub we performed the specially commissioned "Symphony 125" arranged by James Redwood. Many of tonight's players took part in that performance and we are delighted to bring the same piece to you this evening. We know how inspired the children were to have the opportunity to perform in London in a massed ensemble and we are sure this evening will have the same effect. It is not often that you have the opportunity to hear over 200 young musicians play and sing together in Southampton.

Performances couldn't take place without the hard work and dedication of the ensemble directors and their assistants and the support of the student's family and carers. I would like to take this opportunity to thank everyone who helps and supports the groups taking part this evening, whether it is leading the rehearsals each week or helping to stack the chairs at the end of the rehearsal.

Please sit back and enjoy this evening's performances.

Manager, Southampton Music Services

Southampton Music Hub

The Southampton Music Service is the lead partner for the Southampton Music Hub. Over 30 music and arts organisations are represented within the Southampton Music Hub partnership. The group (established in September 2012) work collaboratively to bring a high level of music provision, expertise, access and resource to communities and young people in Southampton.

Our aim is to support schools and colleges in delivering the National Plan for Music Education and provide opportunities for young people to engage in a rich programme of music making. This is an exciting time for all involved and we look forward to seeing music in Southampton continue to thrive and ensuring our young people can take fond musical memories with them into their future lives.

Southampton Music Service

In March 2011, the Southampton Music Service was judged by the Federation of Music Services as being in the top category of Music Services in the country. SMS has maintained the level of excellence and access to music activity that our community has come to expect. SMS seeks every opportunity to promote and develop the musical potential and personal development of all young people in the City and region of Southampton.

In addition to the specialist instrumental lessons and curriculum support we deliver in schools, SMS also provides an impressive range of choirs, bands and orchestras to support musical progression.

Any young musician interested in joining a Southampton Music Service ensemble or starting lessons for the first time should contact the music service at music@southampton.gov.uk or call 02380 833648
